About Us

We, Radhey Auto Industries, from 2003 are a leading manufacturer and supplier of a quality approved collection of Indicator Lights, Headlight Cover, Tail Lights, Automobile Lights, Truck Lights, Fog Lamp and many more. These products are highly demanded by the patrons for their longer service life, high durability, and hassle-free usage. Apart from this, these products are used in various vehicles. Backed by our well-equipped infrastructure facility, we have been able to bring forth products that give assured durability at the client end. At our infrastructure unit, we have assorted upgraded machines and tools for executing the manufacturing process with ease and convenience in full accordance the industry standards.

Mr. Sanjay Arora, our mentor, has led us to become a prominent name in the specified business in short span of time. Owing credit to his experience, we have gained immense appreciation from our valuable customers.

OUR INFRASTRUCTURE

We are supported by our well-equipped infrastructure facility. Our facility is equipped with all the progressive tools and equipment desired for the manufacturing of the offered lights. To make our developments as per the modern trends, we regularly upgrade our infrastructure facility. For this purpose, we have established a quality control unit at our facility.

WHY US?

We have achieved a place of reputed in this industry is owing to our excellence in serving our customers a best quality collection of lights. Apart from this, we are offering all our products in a wide assortment of specifications to choose from.
